Forecast for Tuesday 13 Dec 2022

Weather: Low cloud, mist and freezing fog possible early morning, mainly in the east of the park. This should begin to lift and break by around midday, although it will remain cloudy and cold during the afternoon. Widespread frost throughout.

Chance of cloud-free hill tops above 600m: 60%

Low cloud and visibility: Mainly nil significant, but occasional cloud, base surface to 200m at first in the east, lifting and breaking by the afternoon. Visibility good or very good, but poor or very poor in any low cloud, mist and freezing fog.
